June 2010

Thank you for your interest in participating in the Lansdale Farmers' Market as a Nonprofit Partner. Our mission has been to establish a seasonal farmers' market in downtown Lansdale designed to create a sustainable lifestyle and access to a healthy affordable diet and locally crafted goods. In keeping with this goal, we strive to connect with nonprofit community partners to promote our shared ideals and improve our community.

The Lansdale Farmers' Market is offering an opportunity this season for local nonprofits to set up a table at the market to help spread the word about the work they are doing to improve our area and the lives of its residents. Please fill-out the attached application and provide some details about your organization and its goals.

Accepted participants will be required to provide their own table, chairs, tent (if desired), volunteers and supplies. The Lansdale Farmers' Market will provide a designated space at the market and assist with marketing and promotion of the event. There is no charge for nonprofit community partners.

Please mail your completed application to:
