

Thank you for your interest in becoming a vendor at the Lansdale Farmers' Market.

Application Info:

- There are **2 applications**: one for growers (farmers), and another for non-growers (value-added foods).
- For non-growers, we prefer as many **local** ingredients as possible. Local means the ingredients were grown or raised on a farm within 150 miles of Lansdale. For example, the following could be sourced from local farms: eggs, honey, beef, cheese, chicken, pork, seasonal produce and herbs that can be grown in our region. Local sourcing does not include the purchase of ingredients from a distributor or retailer with a local address.
- Because we value the vendors who currently attend our markets, the most common reason to deny an application is that the Market cannot support more competition in a specific category.
- This application is for every Saturday from May through Dec (exceptions: we are closed the Saturday after Thanksgiving, and the last Saturday in December).

General Market Info:

- *We are a rain or shine market.*
- Vendors must supply their own tents, scales, bags, tables, signs, weights, trash cans, etc.
- Vendors must also provide proof of liability insurance coverage.
- To promote variety, participants may be rotated at the discretion of the coordinators.
- Effective 2021, new vendors are required to have email and an active website.
- For all vendors, active social media presence is strongly suggested but not required (Facebook, Instagram).
- **Full Season**
 - \$700 for 10' space, + \$20/week for optional Dec
 - \$300 for each additional 10' space, + \$10/week for optional Dec
- **Half Season – Up to 16 Saturdays**
 - \$420 for 10' space, + \$20/week for optional Dec
- **Guest - Up to 8 Saturdays**
